Honors, Achievements & Recognitions

Kate Shearin Receives Top ITE Honors

A Community of Transportation Professionals

Kate Shearin, P.E., PTOE (M)

**Metro Atlanta Signal Operations Engineer,
Georgia Department of Transportation
*Southern District Rising Star***

Kate is an enthusiastic supporter and leader of the Georgia Section of ITE (GAITE), the Southern District of ITE, and ITE International. She served as president of the Georgia Section in 2020, successfully leading her Section during the pandemic, navigating to a virtual platform, while maintaining the high level of professional development and networking opportunities that GAITE has come to expect. She is a 2016 *LeadershipITE* graduate and helped plan the GAITE Summer Seminar Conference in 2017. In addition, she participated in the GAITE Leadership and Mentoring Programs and received the GAITE Marsha Anderson Young Member of the Year Award in 2016. Throughout her entire career, Kate has devoted tremendous amounts of time and effort to advancing traffic operations within the state of Georgia. "Through Kate's leadership and forward-thinking approach, GDOT has led the nation in innovative operations systems and programs that make its arterial signal systems one of the most efficient in the country," her supervisor noted. "With a program that influences more than 2,000 signalized intersections, Kate has also delivered infrastructure enhancements to the entire state that connect more than 8,000 traffic signals—one of the largest systems in the country. In addition to operations, Kate's expertise help enhance and improve the safety of signalized intersections through meticulous and consistent engineering design. Kate's impact in the advancement of the profession is significant at this stage in her career, and her passion for innovation and inclusion makes her an ideal candidate for this award." **itej**
